LIEN DOAN CAMP OUT PATAPCO STATE PARK, ELLICOTE CITY, MARYLAND – April 13-14

On the weekend April 13-14, Lien Doan Potomac and Gia Dinh had a joint camp out with more than 100 girls and boy scouts. After the opening ceremony conducted by Troop 1794, the older girls and boy scouts were divided into 6 teams. Each team was named after a famous Vietnamese general who participated in the most famous historic Dong Da Battle. After a hiking to Cascade Falls about 3 miles from the camp site, the scouts came back for the big game. The theme of the big game is Dong Da Battle. Each team had to go to a station such as an obstacle course, transportation, making fire and cooking, setting up shelter. The most challenging and fun station is making the fire and cooking in which the scouts learned to start a fire using wood. Only 2 scouts from our Lien Doan were able to make the fire.

This is was the most well liked camp because the scouts did not have to cook dinner. The dinner was prepared by the parents and there were plenty of food. Also, the parents had to help with the cleaning up too.

After dinner, there was the Arrow of Light ceremony for some webelos, and then the camp fire. Troop had a retreat (tinh tam) for 5 scouts who wanted to “tuyen hua”. The tinh tam was interesting and ended just before midnight.

Before dawn of Sunday, the 4 scouts did the le tuyen hua. They can now proudly wear the Potomac neckerchief now. The boys cooked breakfast and participated in the interfaith service. Afterwards, there was a break the record contest. The scouts packed up and left camp before noon. Overall, the camp was a fun experience and the scouts learned some vietnamese history.

Troop Participants: Athen, Christopher, Eric, Nam Ho, Tony, Kevin Le, Bryan, Tam, Thach, Phat, Trieu, Huu Uy, Jason, Alan D, Vincent, Zach.

Adults: Mr. & Mrs. Thong- Van, Mr. & Mrs. Son-Truyen, Ms. Linh, Ms. Chau, Mr. Phuoi, Mr. Phuong, Jimmy, tr. Tung, tr. Hieu, Tr. Hung, Tr. Nghia, and Tr. Son.

Congratulations to Nolan and Madison. They'll join the Troop in September

Don't they look like prisoner who are going to be executed!!!!

Always look better with LD neckerchief! Congratulations!!!

BOY SCOUTS LEARNED CARPENTER April 20 meeting

A Scout is handy. In order to experience on how to use carpenter tools, scouts learned how to build a wooden bird house. Tr. Hieu prepared the wood and tools and offered a nice back yard for the scouts do some carpenter works. A big THANKS to Tr. Hieu.

The scouts enjoyed the hands on learning experience. Each patrol completed its bird house. They were supposed to build their own bird house, and will show it to the Leader at the next meeting.

Scout Participants: Vincent, Zach, Athen, Christopher, Tam, Nam Ho, Eric, Phat, Bryan, Thach, Jason, Alan D, Trieu

HIKING ON APALACHIAN TRAIL Saturday April 27, 2013

We arrived to Gathand State Park around 9:00 AM by 2 cars. One drove from Silver Spring by Tr. Hieu, and the other from Germantown area by Tr. Hung. After dropping off the scouts at Gathand, we have to drive both cars to Weverton and leave one car there. We started hiking around 10 AM. The trail was had many rocks in its path, but it did not bother the scouts. They walked very fast, and were always ahead of the adults. They were smart enough to stop and wait for the leader at the 3 way intersection. They walked so fast that they forgot to

stop at Steve Garvey Shelter as being told earlier. They went straight to Weverton Cliff. However, we were unable to contact them. Then, tr.Hieu had to walk an extra mile to get them back to Garvey Shelter. At Garvey Shelter, they learned how to use portable white gas stove, and how to use backpack water filter. We also met 2 boy scout troops. One from Eastern Shore Maryland, and one from Frederick area. The Eastern Shore Troop camped over night at the shelter area. After we spent an hour eating lunch at the Shelter, we hiked another mile to Everton Cliff. The view from Everton was spectacular, but from the Cliff we had to walk 750 feet to the parking lot. The down trailing was stiff and rocky. It took about 45 minutes to get to the parking lot. They boys rested and sun bathed while waiting for the ride. Overall, it was a good hike. The boys did a great job and we can proudly said we had hike the famous Appalachian Trail.

Participants: Jeffrey, Nam Ho, Jason Tran, Alan D, Vincent, Athen, Eric, Tr. Hung, Tr. Hieu, Tr. Nghia & Tr. Son.

THANK YOU AND HAPPY MOTHERS DAY TO ALL SCOUTS' MOM OF TROOP 1794.

MOTHER

If I could give you diamonds
for each tear you cried for me.
if I could give you sapphires
for each truth you've helped me see.
If I could give you rubies
for the heartache that you've known
If I could give you pearls
for the wisdom that you've shown.

Then you'll have a treasure, mother,
that would mount up to the skies
That would almost match
the sparkle in your kind and loving eyes.

But I have no pearls, no diamonds,
As I'm sure you're well aware
So I'll give you gifts more precious
My devotion, love and care.
