On Sunday, July 21, twenty one scouts arrived and met up at the parking lot at 1PM. What a hot day! it was around 99°F. There we were greeted by a camp guide. Following the guide, we took all our belongings that we could and left the rest for pickup by Tr. Peter and Tr. Think. When we reached our campsite called Lone Pine, we lined up for a medical check to ensure we didn't have any fever by two other guides that were already there. Next, we were told to get in our swimming clothes and bring towels. On our way to the swimming pool, the camp guides took us on a tour of Camp Rodney. We first visited the campfire circle and then the Pathfinder Dining Hall, where we were told our eating times and our tables. They showed us the places that our classes were going to be. The last stop on the camp tour was the Rifle, Shotgun, and Archery Ranges. After that we walked up to the swimming pool where we lined up for the Swimming test.

Unfortunately, we were too late and the scouts who had aquatic classes or just wanted to have fun would have to go to the swimming pool at 5 AM next morning. After the whole tour we went back to Lone Pine to have some free time and to get ready for dinner, when we are required to wear our Class A. When we were finished eating we went back to camp and started picking our tents and choosing buddies to sleep with. We divided our troop in four patrols, five girl scouts in one patrol, and five boys scouts for other three patrols, so we went to the bathroom together and had shower around 8PM every day.

For our first night, Mother Nature treated us with a severe thunderstorm. We must evacuate to the nearest shelter and stay there until the storm was over two hours later. What an unexpected night and experience! However, we survived.

After the first day, we used to the place where we spent the next five days learning and getting requirements done in our merit badge classes. After all of that we would have free time where scout could play cards and go to the Trading Post, where we could purchase our favorite beverage and food.

Each day we would wake up from 6:30AM to 7:00 AM. We would choose one Patrol to send four people as waiters to go prepare our breakfast around 8:00AM. After our first set of morning merit badge classes, we would return back to our campsite to have some fun and again send four waiters to set up lunch around 12:00PM. Our dinner occurred around 6:00PM every day.

After our afternoon classes and dinner, scouts would return to the campsite. On our 2nd to last day, we all gathered in campfire circle where Camp Guides and Troops would perform funny skits and sing songs.

On our last day, our Troop started packing up, organized police lines to pick up trash, and made the camp cleaner than it was when we got there. Our troop got on Tr. Peter's pick-up truck to go out to the parking lot, where we met our parents to go home.

Generally speaking, the camp was a great experience, full of sweats, fun, and friends. It was a perfect opportunity to start earning merit badges and learning a new survival skills.

On September 14th and 15th, scouts arrived at Tien's house for a ILST sleepover. As more people arrived, scouts took out their volleyballs, and even barbie jeeps, and started playing. The girls took the jeeps and started cruising around Tien's driveway. Before we knew it, the clock struck 11:00 signaling the spls to start ice breakers. Scouts played games such as hot potato and the balloon game. After ice breakers we quickly ate our lunches and started opening ceremony. With a helping hand from crew, the spls started the ILST presentation. Once we learned about what each scout role does, we headed outside and set up tents. When the scouts were finished they took a long break, before eating dinner. During this break scouts played *Super Smash Bros* and hung out with each other. Finally, the break was over, and the scouts gathered around with the leaders and ate dinner. When they finished they went straight back to work, planning out 2 meetings that would be possibly used in the future. Just then, Crew suddenly had the idea of getting bubble tea. So they asked everyone what drinks they wanted, and with the ILST money, they bought bubble tea for everyone to enjoy. Slowly as scouts finished with their meetings one by one, they went and brushed their teeth and headed to their tents. Many scouts had droopy eyes and were tired even after drinking bubble tea, and went to sleep.

Scouts spent a beautiful Saturday hiking to various peaks on Sugarloaf Mountain. We all met at Potomac View Parking Area at 9 am. Our SPL split us into 3 different hiking groups and assigned us 3 different trails. After about 3 hours of hiking, we all met at White Rocks for a quick lunch. We then hike back to the parking area. The trails were about 6 miles and had a lot of rocks and steep hills. Some of us were not careful and slipped a few times. At the end, we all enjoyed the challenging hike.

SCOUT SPIRIT

It is hard to evaluate Scout Spirit. We believe that prior to each rank advancement, participation in the following activities exemplifies the essences of Scout Spirit:

1. A minimum of 2 hours community service from Troop or Liên Đoàn.
2. Participate in Troop nursing home visit monthly.
3. Participation in at least 1 fundraiser.
4. At least 4 troop outdoor activities per year.
5. Good deeds done outside of scouting.

SCOUT ADVANCEMENT PROCEDURE

If a scout has finished all his requirements for the next rank, it is mandatory that you:

a. Contact SM for the scoutmaster conference (SMC) (must be at least 1 week before the Board of Review). SMC are on the first and second week of the month.

b. If you "pass" the scoutmaster conference, you must contact Mr. Chung Nguyen/Mr. Chieu Do(BoR coordinators), and Mr. Chung Nguyen (Committee Chair) to schedule your Board of Review (BoR). BoR is at the last week of the month.
