*\*Friday night camp setup*

The weather was perfect for camp. A few troop and crew members arrived late Friday and worked almost until midnight to prepare the population for camp on Saturday. They set up the camp gate, flag poles, and organize all of the game stations. We were treated with Chick-Fil-A and bubble tea during our work.

Saturday morning, scouts and their parents arrived early and set up their campsites. The camp staff started the opening ceremony promptly at 9:30am. After the ceremony, we all gathered around the troop area for a surprise birthday celebration for Thanh and Brian Nguyen. After cake, we all played an ice breaker then break for lunch.

For lunch, we made our own sandwiches. While eating lunch, we built a bridge for the cub scouts. The bridge was made from wood fastened together with screws and rope. We get to use power tool to drill holes for the screws. Each scout took turn learning about safety and proper procedure of using a power drill.

After lunch, we played the 4 big games and the final game. All of the games involved some sort of teamwork and scout skills. One game, the team has to lash a platform to carry a person about 50 feet.

Another game, the team has to get on and off an uneven platform without speaking for letting the platform tilt. At the end, the crowd favorite game is water balloon. Everyone were drenched including some parents and leaders.

After the games, we all gathered at our campsite and prepared dinner. The patrols made spaghetti, soup, and rice. After dinner, we attended the campfire. There was a lot of skits and songs at the campfire.

In the morning, we woke up early, attended religion hour, and do the closing ceremony. Overall, we had a lot of fun at LD camp.

## *Zip Line - Oct 19, Adventure Park, Sandy Spring, MD*

**Attendees Boys:** David, Patrick, Ryan, Vincent N, Preston, Thanh, Minh, Quan

**Attendees Girls:** Janelle, Tien, Kathleen, Kelly, Vy

**Adults:** Tr Think

We arrived right on time to the park. After we received our tickets, we walked over to the gear area to get fitted with our harness and gloves. It took a while to get the right fit and get used to all of the straps. We then ushered to the briefing area for safety and harness usage. There's a low rope where we practice clipping onto and release from the cable.

After we all were comfortable with the harness and hooking system, we went to the zip line courses. The green courses were the easiest and the blacks were the hardest. Many of us started out with the easy green course. Some of us were adventurous enough and tried out the hard black course.

The courses were tough and required the use of many muscles. Our leg and arm muscles were sore. After a few hours, we all came to the entrance and had pizza for lunch.

Troop camp is an opportunity for scouts to work on outdoor requirements. We started camp promptly at 9:00am with a flag ceremony conducted by Kathleen. Tammy and Thanh were our camp chiefs.

After the morning flag ceremony, we split up into 2 groups. The first group will spend the entire day with Tr Nghia working on their cooking merit badge. The second group will work on outdoor skills such as lashing, light stoves, water filtration, map & compass, and blade tools.

At the end of the day, we had a potluck dinner. The cooking merit badge class made grilled chicken and fruits. The patrol made rice and soup.

Around 4am, a major rain storm arrived. A lot of our tents took water and our bedding were wet. We were packing up camp during a torrential downpour. Luckily, it wasn't that cold. We did our closing under a canopy. We packed our tents and clean up our campsite in record time and left camp shortly after closing.

**SCOUT SPIRIT**

It is hard to evaluate Scout Spirit. We believe that prior to each rank advancement, participation in the following activities exemplifies the essences of Scout Spirit:

1. A minimum of 2 hours community service from Troop or Liên Đoàn.
2. Participate in Troop nursing home visit monthly.
3. Participation in at least 1 fundraiser.
4. At least 4 troop outdoor activities per year.
5. Good deeds done outside of scouting.

**SCOUT ADVANCEMENT PROCEDURE**

If a scout has finished all his requirements for the next rank, it is mandatory that you:

- a. Contact SM for the scoutmaster conference (SMC) (must be at least 1 week before the Board of Review). SMC are on the first and second week of the month.
- b. If you "pass" the scoutmaster conference, you must contact Mr. Chung Nguyen/Mr. Chieu Do(BoR coordinators), and Mr. Chung Nguyen (Committee Chair) to schedule your Board of Review (BoR). BoR is at the last week of the month.
